## Many Thanks!

The Manee family would like to take this opportunity to thank our Caprock community for all of their help and support since Mr. Manee's heart attack. There are really no words to describe our appreciation. We are so grateful for the meals people brought. Thanks to Mrs. Miller-Forrest for organizing our dinners. You are all so generous. We are so blessed by all the workers who have shown up and continue to show up to help with the "Honey, do..." list.

On Sunday, April 26, six men and four of their children came to help with projects around the house, primarily our leaky roof. The men worked on the roof and the kids who cleaned up shingles and did some yard work. What a huge blessing! Thank you! Thanks to Merritt Schumann & Becky Behrens for getting the word out there regarding what we needed. We appreciate the repeated visits from Mr. Goodman and the sacrifice of his family sharing him. I appreciate all the encouraging words from all of my friends at Caprock. You have all made a difference in our lives and we will never forget your kindness!
